

**THIS IS A NEW REPORT**

**It shows the text extracted from the uploaded document and run through the dummy model (which just makes text lowercase) in the space below:**

project title: the project has a namebackground: this is a short project detailing the background of the project, why the work is necessary, and how it fits into the greater context of the organization mission. scope: the scope would detail the level of detail of the work, how it would be used, specific project goals, deliverables, features, functions, tasks, deadlines, timeframes, and costs.
